The Heritage Network

Board of Directors

July 20, 2026

The meeting was called to order by President Joe at 9:30 AM, the SCHS meeting room.

Present were Susan Dechant, Bill Sebright, Sue Richart, Joe Barreca, President and Janet Thomas, Secretary.

Financial Report: Sue presented the report.

Indian Agency Cabin: The cement vendor had backed out and a new one is being looked for. The lighting is still being worked on.

SCHS:

Visitors are still arriving from far-way places. They stretch their hours to accommodate those visitors. That helps in getting lodging tax funds.

Research Updates:

The military road research is under revision to meet new standards. Schools are also a hot topic.

NeWGS:

The September Seminar is coming along. Their website needs revision to display on cell phones. It is a lot of work. AI might help but is technically out of reach.

Clayton/Deer Park: The veteran memorial plaque has been put up by the Eagle at the Fairgrounds. A dedication ceremony is being planned for during the Clayton Fair the end of August.

Wally Lee Parker has put publishing his Society newsletter on hold. He is spending his time working on and publishing his family history.

Deer Park's Settlers Picnic will be Saturday, July 25. Clayton's Brickyard Days will be July 31 and August1.Website Status:

Silverado Articles:

No members have submitted articles to the Silverado about their organization. The opportunity I still open. Valley will continue to add articles occasionally.

Audio and Video Tapes:

Plans are in the works to inventory, test and plan for sale of physical CDs and DVDs as well as putting the content online in new formats.

Website Status:

The website has been restored and new security software is in place.
